We want everyday to be a happy memory for your children. Therefore we work hard in creating an environment that will allow this to happen. Along with our efforts we need our students to maintain a level of what we call "Black Belt Attitude" and basics codes of conduct.

Students must:

- 1) maintain personal care (toileting, changing) without staff support
- 2) keep hands and feet to self and respect others personal space
- 3) Respect others belongings
- 4) Will use appropriate language, which does not include swearing or negative remarks

Dietrich Karate will not be able to accept or maintain enrollment for children who pose a threat or put other students lives in jeopardy.

In order for Dietrich Karate Studios, Before and After School Martial Arts to comply with the State of Virginia licensing requirements, please read and become aware of the following information.

Dietrich Karate Studios, Before and After School Martial Arts is not licensed by the State of Virginia as a childcare, daycare, or any other kind of licensed childcare facility. We are a martial arts center that provides both physical and mental training.

Our curriculum includes: only the best in martial arts instruction. We do not provide school tutoring of "child care". Our current curriculum includes martial arts classes before and after school and ending in the evening.

Please be advised that all students of Dietrich Karate Studios may come and go, to and from classes or the premises as they please.

I have read, understand and approve of this information and the Dietrich Karate Studios facility.
